WHEREAS, the UNION and the Company wish to make the workplace a better and safer place of employment by eliminating the danger that such employees create by being under the influence of drugs or alcohol at the workplace;

WHEREAS, such employees who are under the influence of drugs or alcohol have lower productivity than employees who are drug and alcohol free;

WHEREAS, the UNION and the Company wish to have employees working at normal capacity, doing an honest day's work for an honest day's pay;

Such discipline shall be in accord with principles of just and proper cause.

- 1. The following disciplinary actions shall be taken against an employee whose drug or alcohol test has a positive reading, as defined in Appendix "A" hereto, or who is guilty of using or being under the influence of a controlled substance or alcohol at the workplace, and hereinafter collectively referred to as an offense:

- ii. Employee Option 2 - A first-offense employee who does not choose to enroll in a substance abuse assistance or rehabilitation program shall be

suspended for the length of time it takes to obtain a negative reading from a subsequent drug or alcohol test but in any case, no less than a two (2)-week suspension.  - c. Third Offense - Any employee who tests positive for the third time will be discharged and will not be eligible for re-employment by the Company for a period of three years, unless the employee can establish through objective evidence that he or she is no longer a current alcohol or drug abuser whose current use of alcohol or drugs prevent such individual from going his or her job, or would constitute a threat to property or the safety of others.
- 2. For purposes of administering this paragraph G (Schedule of Disciplinary Actions), offenses shall be cumulative on a Company-wide basis. For example: An employee commits an offense while employed on Job A. Said employee is subsequently employed on Job B where he/she commits another offense.
