Therefore, a working system of harmonious relations is desirable from the viewpoint of the Association, the Union and the public. Progress in the industry is fostered by mutual confidence between the Association and the Union. All will benefit by continuous peace and the adjustment of any differences by rational, common-sense methods.

And fringe benefit contributions on behalf of such employees shall be made solely to their home funds in accordance with their governing documents. This provision is enforceable by the Local Union or District Council in whose jurisdiction the work is being performed, both through the procedure for settlement of grievances set forth in its applicable Collective Bargaining Agreement and through the courts, and is also enforceable by the Union party to this Agreement and through the courts.

The contractor or the employer party to this Agreement, when engaged in work outside the geographical jurisdiction of the Union party to this Agreement, shall employ not less than fifty percent (50%) of the workers employed on such work from the residents of the area where the work is performed, or from among persons who are employed the greater percentage of their time in such area, any other shall be employed only from the contractor's home area.

ARTICLE II
SURETY BOND

The minimum bond requirement for the employer if it employs five (5) or less employees is $5,000.00. It shall be the duty of the employer to file certificates and proofs of these coverage with the Union within thirty days of the effective date of this Agreement, or within thirty days of the execution of this Agreement, whichever is the later. Failure to comply with this regulation will justify the Union in canceling this Agreement.

It shall be a condition of employment that all employees of the employers covered by this Agreement, who are members of the Union in good standing on the effective date of this Agreement, shall remain members in good standing and those who are not members on the effective date of this Agreement shall, on or after the eighth day following the effective date of this Agreement, become and remain members in good standing in the Union. The failure of any employee to become a member of the Union as herein provided shall obligate the employer, upon written notice from the Union to such effect, to forthwith discharge such person, provided that Union membership was available to such employee on the same terms and conditions generally available to other members. Further, the failure of any person to maintain Union membership in good standing by failure to pay the periodic dues of the Union, shall, upon written notice to the employer by the Union to such effect, obligate the employer to discharge such person.
The employer shall not be required to discharge any employee for noncompliance with the foregoing until the employer receives a written request from the Union specifying the reason for such request, and the Union agrees to indemnify the employer and hold the employer harmless from any liability or claims by reason of compliance with the request of the Union.

It is the intention of the parties in connection with the execution of this Agreement to comply with all laws, state and federal, relative to the subject matter of this Article, and in the event that any clause of this Article should be contrary to any law, state or federal, said clause shall be inoperative in such state and the remainder of the Agreement shall remain in full force and effect.

ARTICLE IV
WORK JURISDICTION

The FTI's core purpose is to develop and expand a qualified and competitive work force for the finishing trades industries and oversee the apprenticeship training program.

The employer agrees to make any payments to the Funds as follows:

The employer shall pay for each hourly contribution (whether regular or overtime) by each employee into the Finishing Trades Institute (FTI) Fund for the Union, pursuant to the Trust Indenture. The employer authorizes the parties to said Trust Agreement to appoint trustees and successor trustees to administer said Fund and hereby ratifies and accepts the trustees so appointed as if made by the employer. Said contributions shall be remitted to the depository in the same manner and on the same forms provided for the payment of all current fringe benefit programs.

1. **Hourly Rate Contributions**

The contributions required by this Article shall be remitted to the Depository as the parties to this Agreement and the trustees of the involved Funds may agree upon. Said contribution payments shall be made within ten (10) days after the last day of the preceding month for the hours worked during said preceding month. Simultaneously with the making of said contribution payments, the employer shall prepare and file a written report with said Depository setting forth the names, social security numbers, locations of work, and hours worked by each employee and such other information as is required by the trustees of the involved Funds. The written report forms shall be furnished to the employer by the trustees of the involved Funds.

2. **Supplemental Dues**

Upon receipt and in accordance with an individual and voluntary written authorization for check-off of membership dues in a form permitted by the provisions of Section 302(c) of the Labor Management Relations Act, each employer will deduct the amounts set forth in the District Council No. 3 By Laws as Supplemental Dues. Said sums shall be remitted to the depository in the same manner and on the same forms provided for the payment of all current fringe benefit programs. The depository shall remit all such sums to Painters' District Council No. 3. It shall be the obligation of the District Council No. 3 to notify the Builders' Association and other signatory contractors to this Agreement thirty (30) days prior to any change in the amount of the Supplemental Dues.

Current Hourly Rate Deduction – Three and one-half percent (3.5%) per hour for each hour worked by each employee whether straight time hours or overtime shall be deducted from wages for the Painters' Supplemental Dues. (This does not include bonus pay or premium pay and all supplemental dues calculations shall be based on base rate for hours worked.)

3. The employers agree to furnish to the trustees of such Funds, upon request, such information and reports as they may require in the performance of their duties under the particular Agreement and Declaration of Trust establishing such Funds. The trustee or any authorized agent or representative of the trustees shall have the right at all reasonable times during business hours to enter upon the premises of any employer and to examine and copy such of the books, records, papers, and reports of the employer as may be necessary to permit the trustees to determine whether the employer is fully complying with the provisions of Sections 1 and 2 of this Article.
4. No employee shall have the option to receive instead of the benefits provided for by the Agreement and Declaration of Trust, any part of the payment of an employer. No employee shall have the right to assign any benefits to which the employee may be or become entitled under any particular Agreement and Declaration of Trust, or to receive a cash consideration in lieu of such benefits either upon termination of the trusts therein created or through severance of employment or otherwise.

5. In the event that the Union receives written notice from one or more of the trustees or any authorized agent or representative of the trustees that an employer has failed to pay in full any sum due the particular trusts under Sections 1 and 2 and that such failure has continued for fifteen (15) days, the Union may, after at least a one (1) week's notice in writing to employer's main office, with a copy to The Builders' Association, direct the employees of such employer to discontinue or refuse to work for such employer until all sums due from that employer under Sections 1 and 2 above have been paid in full. When the Union directs an employer's employees to discontinue or refuse to work because the employer has failed to make timely fringe benefit contributions, the employer shall pay such employees for the remainder of the workday upon which they discontinued or refused to work. The remedy provided for in this sub-paragraph shall be in addition to all other remedies available to the Union and to the trustees and may be exercised by the Union, anything in this collective bargaining Agreement to the contrary notwithstanding.

6. The trustees in their own names as trustees, may institute or intervene in any proceeding at law in equity or in bankruptcy for the purpose of effectuating the collection of any sums due the trusts from the employer under the provisions of Sections 1 and 2 of this Article.

7. In the event payment is not made to the Funds within fifteen (15) days following the end of the month in which the work was performed, and because of such delinquency, claims for benefits are denied employees of such employers who would have been eligible for benefits if the employer had not been delinquent, such employer agrees to reimburse such employees, their survivors of their estates in an amount equal to that which would have been paid by the appropriate fund(s).

8. The amounts collected for the Builders' Association Painters' Agreement Industry Advancement Fund shall be paid over by the depository to The Builders' Association and, thereafter shall be administered by The Builders' Association for the purpose of, and as set out in, the instrument entitled "Builders' Association Painters' Agreement Industry Advancement Fund" dated May 10, 1978.

9. The amounts collected for the Labor Management Partnership Fund (LMP) shall be paid over by the depository to the International Painters Council.

This clause shall not apply to maintenance agreements.

ARTICLE XII
ARBITRATION

The Union and the Association agree that during the term of this Agreement there shall be no strike, picketing, cessation of work or lockout, and that all disputes and grievances which cannot be adjusted between the parties shall be taken up between a representative of the Union and a representative of the Association. Any dispute or grievance of an employee not reported to the employer within ten (10) working days after the occurrence of the same, shall be declared invalid and not processed. If the grievance cannot be settled satisfactorily after five days, it shall be referred to an Arbitration Board consisting of three (3) members appointed by the Union and three (3) members appointed by the Association. If the Arbitration Board thus selected cannot agree upon a decision within fifteen (15) days, or such extension of time as the parties may mutually agree upon, they shall select an arbitrator who will hand down a decision in writing after five days. The arbitrator’s decision shall be final and binding on both parties.

All expenses of conducting the arbitration hearing, including the services of the impartial arbitrator, are to be paid by the losing party: however, each party shall be responsible for payment of their attorney’s fees.

Any employer may require a blood alcohol content test or a urine drug test on any employee who has been involved in an accident on the job (subject to OSHA regulations) or when the employer has reasonable cause to believe the employee is under the influence of drugs or alcohol at the workplace. Such drug or alcohol test must be carried out in a professional, accurate manner. Any test or action taken, as a consequence thereof, shall be the sole and exclusive responsibility of the employer who uses or acts upon it and such employer shall hold the Union and the Association harmless from any liability that results therefrom and from the cost of any litigation involving the use of such tests or any acts by the employer as a consequence of such tests.
ARTICLE XV
SAVINGS

The parties to this Agreement in reaching mutual understanding in this Agreement, believe they have done so in full compliance with federal, state and local laws, but if provisions of this Agreement, or the application of any provision is invalid or in violation of federal, state or local laws, as determined by a court, board or agency of competent jurisdiction, then such provision or the application of the same shall be ineffectual, void and without application. However, the remainder of this Agreement shall remain in full force and effect, nor shall the remainder be affected thereby.

ARTICLE XVI
DURATION

This Agreement shall remain in full force and effect from the 15th day of April, 2019, until the last day of March, 2022. If changes or modifications are desired by either party to this agreement, sixty (60) day notice shall be given prior to the expiration date of this Agreement.
