

SIGNATORY CONTRACTORS CONFERENCE

SCHEDULE OF EVENTS

SCOTTSDALE, ARIZONA

MONDAY, MARCH 2

6:30 PM

Opening Reception

TUESDAY, MARCH 3

7:00 AM

Breakfast

8:00 AM

Construction Forecasting: Policy, Markets and What Comes Next

Bernard Baumohl, *Chief Economist, The Economic Outlook Group*

Bernard Baumohl provides a forward-looking economic outlook focused on construction markets across North America. His analysis connects policy decisions, trade and tariff impacts, material costs, labor availability, capital markets and inflation to real-world contractor planning.

Back Office Solutions for Signatory Contractors

Anna Berger, *Founder & CEO, Trayd*

This session explores how signatory contractors can streamline operations using a single back-office platform designed with Collective Bargaining Agreements (CBAs) at the core. The focus is on simplifying complexity while maintaining accuracy and compliance.

Signatory Market Overview & Labor Cost Trends

Carey Peters, *Executive Director, Construction Labor Research Council*

A data-driven review of labor market conditions affecting signatory contractors, including wage settlements, labor availability and regional market dynamics across North America.

11:00 AM

SELECT YOUR SESSION:

AMPP Certifications: Building Practical, Trusted Standards Together

Alan Thomas, *CEO, AMPP*

A contractor-focused roundtable examining AMPP certification programs and how they align with contractor execution and end-user expectations. This session is designed to encourage open dialogue, understanding and collaboration moving forward.

Trayd

Anna Berger, *Founder & CEO, Trayd*

An interactive roundtable discussion allowing contractors to engage directly on operational challenges, technology adoption and back-office efficiencies specific to signatory contractors.

Government Affairs Committee Meeting

Bernie Gingras, *Executive Director, New Jersey Glass & Metal Contractors Association*

Ken Ober, *Owner, Elite Painting, Inc.*

This open committee meeting provides signatory contractors with direct insight into FCA International's 2026 legislative and regulatory priorities. This session will focus on policy issues shaping contractor operations across North America.

12:00 PM

Lunch

1:00 PM

Golf -TPC Scottsdale Pre Registration Required by Feb. 3

Join fellow attendees for an afternoon of golf and networking. Participation is limited to those who pre-register by February 3. Box lunches will be provided on site prior to play, with a shotgun start at 1:00 p.m.

Open Afternoon

This afternoon is intentionally left open so you can meet, explore or recharge at your own pace. Find ideas on dining, activities and local attractions at www.experiencescottsdale.com.

7:00 PM
